Shirt Waists---Another Evolution---the Button-back.

In the realm of Fashion one style hangs upon another. The universal use of Straight Front Corsets set wits to work to help out the effect. In the new Button Back Waists there is much grace and shapeliness. An erect position is obligatory, and amply paid for by the trim, youthful looking form resulting.

One Hundred and Ten Thousand (110,000) Yards of

POPULAR, CHOICE WASH GOODS

Go on Sale, on the 4th Floor, in Two Lots at

6 1/4c AND 9c

This deal was closed after long and difficult negotiations. Difficult because the makers knew full well the choiceness, value and styles of the goods, and, at first, were deaf to any arguments that involved breaking regular prices on fabrics produced within the past 60 days.

But finally, figuring on the vast quantity, and the preceding slackness of Cotton Goods trade (due to adverse weather), they came to our terms and we

BOUGHT AT PREPOSTEROUSLY LOW FIGURES.

Pick up any piece of the 2,750, and there is not an iota of difference in the fineness of a single yard in the respective classes. Buyers will come, examine the dainty colors and beautiful patterns, and say off-hand: "Here are the very shades and designs I set out to buy." If the mills of America were ransacked to-day with the idea of finding similar goods to sell at our prices, the cost would daunt the most determined merchant.

The Lace Stripe Lawns at

6 1/4c.

bring 12 1/2c in the best houses, not now and then, but always.

With the room available on the Fourth Floor, this Sale can be comfortably handled—and there alone.

To-morrow we inaugurate our Greatest Wash Goods movement.

were made to sell (and do sell) at 15c, competing with regular 22c. importations.

Art Embroidery.—(Fourth Floor.)

Russian cut work is looked on very favorably for collar designs. Some very beautiful novelties have just appeared. Very attractive, too, are additions to the lines of stamped Renaissance, in Patterns, Fans, Parasol Covers, Revers, Boleros, Robes, etc., introducing unique styles of Lace—Braids, in cream, white, ecru and black.

The educational services of Mr. Nagahama are extended FREE to all purchasing embroidery materials here. This noted Japanese artist will continue the daily classes.

The "Gibson" Pillows---

No well arranged Pillow Corner is perfectly up to date without some of those accepted novelties. Gibson's art is eminently human and appealing. The six latest subjects—Washington—Wireless Telegraphy—is a Caddy Always Necessary—The American Girl—Here It Is Xmas—Picturesque—America—are admirable examples of fine, free drawing and interesting phases..... **50c**
